WORKING WITH ANIMALS

after them when you feel tired, ill or upset and will need to do so to a constant high standard Ask yourself why you have chosen to find out more about working with animals Is it something you've always wanted to do? A lifelong ambition? Or are you looking to change careers? Think about the type of animals you would like to work with

Topic 2: Write about foods that you like/dislike

Topic 2: Write about foods that you like/dislike I'm not that picky about food, and I like to eat many types of food I often eat out at restaurants with friends on weekends and I enjoy trying new dishes that we I have never tried before while having conversations I think it is fun to explore new restaurants and food

Growing chickpeas - Garden Organic

Chickpeas, like other legumes, have a symbiotic relationship with microbes on their roots, which enable them to fix nitrogen The rhizobium responsible is not the same one that is present on peas and beans, and may not be present in all soils To overcome this problem, you can either continue to
